When can I go?

The first bookable pick-up time is 07.00 (08.00 on Saturday).
 The last bookable set-down time is 19.00 (18.00 on Saturday).
 We are sorry, there is no Sunday or Bank Holiday service.

How much does it cost?

You pay on the bus when you are picked up. CountyConnect fares are designed to be competitive with scheduled bus services and a lot less than a taxi. You can buy a day return fare and there are reductions for under 16's and students. Of course, like any regular bus service if you have an English National Concessionary Travel Pass, you can travel free of charge.

Ask about the fare when you book and please try to have the exact change ready when you board.

Just follow these five easy steps...

- 1. Register your details for free.** Call 0845 456 4474 or log on to www.county-connect.co.uk. You will need to give us your name, address and a contact phone number. We will then send you a welcome pack with a membership number and card.
- 2. Make a booking.** Simply call, text or go online (details above) and tell us where and when you wish to travel. Please have your membership number ready. You can book multiple journeys with one call or book for a group to travel together. You will need to tell us where you want to be picked up, where you want to go and details of a return trip if needed.
- 3. Journey details.** We will confirm the details with you. If we cannot offer you the exact times, we will do our best to suggest the closest available slots.
- 4. Pick-up point.** Go to the pick-up point on the date and time agreed. **Please note: the bus may arrive up to 10 minutes after the time you have been given.**
- 5. Board the bus.** Pay your fare or show your concessionary pass.

Enjoy your journey!

Your call...Our shout!

It's a new idea, but we're convinced that if you try it, you'll love it, that's why to help get you going we are offering everyone who registers their first round trip **totally free!**

Just present a validated coupon when you board your first booked journey and again on the return trip.

If you haven't yet received a welcome pack with your validated coupons but want to book straight away, don't worry - your coupons will still be valid on later journeys.

Welcome to CountyConnect

Your bus...Your call!

CountyConnect is a bus service designed for people like you. It is a new concept in rural public transport for Daventry. Anyone can use the service once they have registered, as often as they like. Modern wheelchair-accessible vehicles are used, purpose designed for rural routes and includes space for luggage and shopping.

The journeys the bus makes are defined by users each day and there is no fixed timetable. The service operates 'on demand' and it only serves pre-booked journeys. Booking is very easy, either by phone, text or e-mail.

Phone bookings can be made as little as an hour before you need to travel. You can book up to a week in advance and as often as you like.

CountyConnect works on a 'first-come, first-served' basis. The earlier you book, the more chance you will be able to travel when you prefer.

Where can I go?

CountyConnect links the villages listed to your local towns, at Daventry and Long Buckby. The bus will set down or pick up in Daventry at a number of places, including stops at main supermarkets, the Danetre Hospital, doctors surgeries, and the Northampton College campus. It also serves employment areas at DIRFT and at Crick, as well as the big employment areas on the edge of Daventry.

You can use CountyConnect for work or study, not just shopping. Please phone to ask about the nearest stops to where you live and where you want to go. If you need to get somewhere in particular in Daventry, let us know, we might be able to arrange it for you.

If you want to travel further, you can also book CountyConnect to connect with regular Stagecoach services at Daventry, Long Buckby (for Daventry, Northampton and Rugby) and Weedon (for Northampton).

You can also travel between any two villages within each of the two CountyConnect areas in Daventry District. CountyConnect is designed to work alongside regular bus services. If your journey can be made on a regular timetabled bus service, we will not be able to accept a booking. Villages also served by regular scheduled buses are listed with an asterisk.
